Case and Document Status

Case status

Status	Meaning
Case Access Granted	Case access has been granted
Criminal Date Booked	Date booked in the EMD
Finalised	Final order(s) have been made or bench warrant issued*
Issued	Charges have been issued
New	Case has been created using the EMD
Open	Case or subcase is active

Document status

Status	Meaning
Accepted	Filing has been automatically approved or reviewed by Registry staff and approved.
Partially accepted	Filing has been reviewed by Registry staff and has been partially accepted. In this situation, the lead document on the filing has been accepted, but one or more supporting document has been rejected
Pending Review	Filing is waiting to be reviewed by Registry staff
Rejected	Filing has been reviewed by Registry staff and rejected
Valid Lodgement	Document has been uploaded into CMS and, where required, has been reviewed by Registry staff

***Please note:** when a Warrant to Arrest is issued, the case status will be marked as **Finalised**. The status will revert back to **Open**, when the warrant has been Returned Executed and accepted by the court.
